

Brutha::Traversal

```
graph BT; Bfs[Brutha::BfsTraversal] --> Traversal[Brutha::Traversal]; Dfs[Brutha::DfsTraversal] --> Traversal;
```

The diagram illustrates a class hierarchy. At the top is a gray box labeled 'Brutha::Traversal'. Below it are two white boxes: 'Brutha::BfsTraversal' on the left and 'Brutha::DfsTraversal' on the right. Two dark blue arrows point from the top of the 'Brutha::BfsTraversal' box to the bottom of the 'Brutha::Traversal' box, and from the top of the 'Brutha::DfsTraversal' box to the bottom of the 'Brutha::Traversal' box, indicating inheritance.
